

## MISSION STATEMENT

The vision of Mount Olive Baptist Church is to be a culturally relevant church that minimizes dogma and maximizes Love--the Love of a living God as embodied in Jesus Christ in order that we might cultivate a faith that supports broken humanity throughout the difficulties of life.

We want to be a Church dedicated to the mission of spiritual, academic and economic growth of individuals through teaching, serving and guiding them to grow beyond their personal experiences into new creatures in Jesus Christ. We want to involve everyone in ministry, so that people will minister to people.

We want to be a Church where Biblical enlightenment, healing, renewal, reclamation, rehabilitation and reconciliation are the cornerstones of our faith.

We want to be a source of spiritual sustenance, security, and inspiration to those who are struggling with the burdens of life throughout our spiritual journey together. We want to be strengthened in our commitment to serve as instruments of God in our Church, our community and the world, by confronting, transforming and eliminating those things in our culture that dehumanize us and perpetuate psychological enslavement.

**BLOOD PRESSURE MONITORING.....**High blood pressure or hypertension is a very common medical problem and it can happen to almost anyone. There is temporary hypertension which may happen in times of strenuous activity such as constant running and movement as well as extreme emotions. Anyone is prone to experiencing hypertension, but the big problem about this medical condition is when it becomes chronic or permanent. In order to be aware about our blood pressure, we need to monitor it. Our Nurse's Ministry will take our blood pressure every second and fourth Sunday after both services in the Family Life Center's Ray Agnew Hall to assist us in keeping our blood pressure in check.
