

MISSION STATEMENT

The vision of Mount Olive Baptist Church is to be a culturally relevant church that minimizes dogma and maximizes Love--the Love of a living God as embodied in Jesus Christ in order that we might cultivate a faith that supports broken humanity throughout the difficulties of life.

We want to be a Church dedicated to the mission of spiritual, academic and economic growth of individuals through teaching, serving and guiding them to grow beyond their personal experiences into new creatures in Jesus Christ. We want to involve everyone in ministry, so that people will minister to people.

We want to be a Church where Biblical enlightenment, healing, renewal, reclamation, rehabilitation and reconciliation are the cornerstones of our faith.

We want to be a source of spiritual sustenance, security, and inspiration to those who are struggling with the burdens of life throughout our spiritual journey together. We want to be strengthened in our commitment to serve as instruments of God in our Church, our community and the world, by confronting, transforming and eliminating those things in our culture that dehumanize us and perpetuate psychological enslavement.

*Christ
also
suffered
for us,*

*leaving us an example,
that ye should follow his steps.*

"The Church with a Ministry that Reaches the World"

Lott Carey = FOREIGN MISSIONS SUNDAY-April 10, Dr. John Alexander, Pastor of St. John United Baptist Church of Washington, DC will be our guest preacher.

The Lott Carey movement, whose theme is "Touching Lives with Transforming Love" was founded in 1897 by African-American Baptists who were committed to a substantial foreign mission thrust – especially on the African continent. They believed that nothing should distract the church from executing its primary objective of advancing God’s mission throughout the world. Since the founding, Lott Carey Foreign Mission Convention has single-mindedly invested in Christian missions around the world.

Lott Carey bears the name of the Rev. Lott Carey, who was one of the first American and Baptist missionaries to West Africa. Born enslaved in 1780 in Charles City County, Virginia, Lott Carey purchased his freedom in 1813. He led a pioneering missionary team to Liberia in 1821 that engaged in evangelism, education, and health care. Rev. Carey became a well-respected and gifted governmental leader as well as missionary until his death in 1828. He was also the organizing pastor for the first Baptist church in Liberia – the Providence Baptist Church in Monrovia.

BLOOD PRESSURE MONITORING.....High blood pressure or hypertension is a very common medical problem and it can happen to almost anyone. There is temporary hypertension which may happen in times of strenuous activity such as constant running and movement as well as extreme emotions. Anyone is prone to experiencing hypertension, but the big problem about this medical condition is when it becomes chronic or permanent. In order to be aware about our blood pressure, we need to monitor it. **Our Nurse’s Ministry will take blood pressures every second and fourth Sundays after both services in the Family Life Center’s Ray Agnew Hall to assist us in keeping our blood pressure in check.**
