Choose Wellness!

Healthy Living - It's Not a Diet, It's a Lifestyle!

Healthy living is a lifestyle that includes healthy eating, regular physical activity and having a positive attitude.

Healthy Eating for a Healthy Life

A healthy lifestyle involves many choices. Among them, choosing a balanced diet or a healthy eating plan. So how do you choose a healthy eating plan? Let's begin by defining what is a healthy eating plan: Making sure we are eating lots of vegetables, drinking plenty of water and portion control. The mantra we need to adopt is S.O.S—consume less Salt, Oils, and Sugar.

Include:

Greens & Vegetables 8 glasses of water daily Eat Fruits

Physical Activity for a Healthy Weight

Regular physical activity is important for good health, and it is especially important if you're trying to lose weight or to maintain a healthy weight.

The Benefits of Physical Activity:

Regular physical activity is one of the most important things you can do for your health. It can help:

- Control your weight
- Reduce your risk of cardiovascular disease and some cancers
- Strengthen your bones and muscles
- Improve your mental health and mood
- Improve your ability to do daily activities and prevent falls, if you're an older adult
- Increase your chances of living longer

MISSION STATEMENT

The vision of Mount Olive Baptist Church is to be a culturally relevant church that minimizes dogma and maximizes Love--the Love of a living God as embodied in Jesus Christ in order that we might cultivate a faith that supports broken humanity throughout the difficulties of life.

We want to be a Church dedicated to the mission of spiritual, academic and economic growth of individuals through teaching, serving and guiding them to grow beyond their personal experiences into new creatures in Jesus Christ. We want to involve everyone in ministry, so that people will minister to people.

We want to be a Church where Biblical enlightenment, healing, renewal, reclamation, rehabilitation and reconciliation are the cornerstones of our faith.

We want to be a source of spiritual sustenance, security, and inspiration to those who are struggling with the burdens of life throughout our spiritual journey together. We want to be strengthened in our commitment to serve as instruments of God in our Church, our community and the world, by confronting, transforming and eliminating those things in our culture that dehumanize us and perpetuate psychological enslavement.
