

MISSION STATEMENT

The vision of Mount Olive Baptist Church is to be a culturally relevant church that minimizes dogma and maximizes Love--the Love of a living God as embodied in Jesus Christ in order that we might cultivate a faith that supports broken humanity throughout the difficulties of life.

We want to be a Church dedicated to the mission of spiritual, academic and economic growth of individuals through teaching, serving and guiding them to grow beyond their personal experiences into new creatures in Jesus Christ. We want to involve everyone in ministry, so that people will minister to people.

We want to be a Church where Biblical enlightenment, healing, renewal, reclamation, rehabilitation and reconciliation are the cornerstones of our faith.

We want to be a source of spiritual sustenance, security, and inspiration to those who are struggling with the burdens of life throughout our spiritual journey together. We want to be strengthened in our commitment to serve as instruments of God in our Church, our community and the world, by confronting, transforming and eliminating those things in our culture that dehumanize us and perpetuate psychological enslavement.

CLARA HALE

Clara Hale's father died when she was a baby, leaving her mother to raise her and four siblings. Clara was greatly influenced by the love and support of her mother and the importance she placed on being a good parent. She was also motivated by her strong moral upbringing in the Baptist church and her education. When Clara's own husband died, leaving her with two children to support during the Great Depression, she began a home daycare and later became a foster parent. Ultimately, this decision led to the creation of Hale House, a home for unwanted children and for children who were born addicted to drugs. In 1984 President Ronald Reagan called her an "American Hero." During her lifetime, Clara helped over 1,000 babies and children.

Responsive Reading: "Tell Us a Story"

(Psalm 78:1-4, 12-16)

- Leader: Listen up people, open your ears to what I have to say.
- Congregation: **Open your mouth and tell us a story just like the parables of old.**
- Leader: Well, you want me to tell you what you have heard and known, what the old folks have already told you?
- Congregation: **Yes, tell us again.**
- Leader: Do not hide the love and the law of the Lord from your children.
- Congregation: **We must tell them the praises, power, and might of the Lord.**
- Leader: We must tell them of the wonderful strength of the Lord and the great things he has done for us.
- Congregation: **Yes, we must tell the children of the marvelous works God did in the sight of the old folks in the old days.**
- Leader: He rescued us from slavery; he was a bridge over troubled waters; he led us by day and night.
- Congregation: **He gave us water when were thirsty, food when we were hungry, our shepherd by day and night.**
- Leader: Listen up people, open your ears to what I have to say.
- ALL: **We must be storytellers and story listeners too! For our children must know the great deeds of the Lord.**

WELCOME.....Rev. Willie Dwayne Francois, III...

Rev. Francois is a 2009 Phi Beta Kappa graduate of Morehouse College with a Bachelor of Arts in History and Religion. Due to his stellar academic record, various other honor societies inducted Francois into their ranks, Phi Alpha Theta International History Honor Society, the National Society of Collegiate Scholars, Golden Key International Honor Society and The Fund For Theological Education Fellows (Undergraduate and Ministry) to enumerate a few. At Morehouse, he served as the president of the Martin Luther King Jr. International Chapel Assistants program for two years and was named the 2009 Martin Luther King Jr. Scholar. He is currently engaged in a Master of Divinity program at Harvard University's Divinity School. Francois is a proud member of Kappa Alpha Psi Fraternity, Incorporated.

He was licensed and ordained at the First Union Baptist Church of Galveston, Texas. Under the mentorship and pastorate of The Rev. Dr. Marcus D. Cosby, he is currently a member of the Wheeler Avenue Baptist Church of Houston, Texas where he engaged in two highly structured pastoral internships. Like his current position at the Morningstar Baptist Church (of Mattapan, MA), Willie held ministerial internship position at the First Corinthian Baptist Church of New York City (Harlem) under the supervision of The Reverend Michael Walrond during the summer of 2010.

Living out his commitment to the life of the mind, in 2009, Francois co-founded the Preacher as Scholar Association, Incorporated (PASA), a nonprofit organization committed to the convergence of intellectualism and spirituality in the ministerial exploits of young ministers—seminarians and pastors—as they aim to provide service to the greater community through on the ground reform in the education system. Francois has been published by the African American Pulpit Journal and is a 2010 and 2011 Guest Contributor to the African American Lectionary. Honing his skills as an aspiring scholar of religion, Francois works as a research assistant for Dr. Jonathan L. Walton, Professor of African American Religion at Harvard Divinity School. He also serves on the Young Preachers Leadership Board of the Academy of Preachers.

THE CHURCH

There is nothing so stately as the church,
seeing that it is the temple of God.

Nothing so worthy of reverence, seeing that God dwells in it.
Nothing so lofty, since it reaches as high as the heavens and
to the throne of God himself.

To honor God and the Holy Spirit, please do not consume or bring
food or drink into the Sanctuary at any time. The Crying room and
Fellowship Hall is available for parents to sit with small children
who may be restless, and you can continue to observe the service.
Thank you for your cooperation.

CLEAN ENERGY + SAVINGS.....Mount Olive Baptist

Church is offering an exciting and innovative way to raise funds. We have joined forces with *Viridian Energy*, a Connecticut based energy company that provides 20% and 100% green energy at a discounted rate to the end line customer. Although

Viridian is the supplier of energy, **PSE&G will still be the utility that sends the bill, performs maintenance, emergency calls, etc.** To switch over to Viridian just follow these

instructions:

- 1- Log onto our website at www.viridian.com/mobchackensack
- 2- Click on 'Become a customer'
- 3- Enter your zip code.
- 4- Click onto 'everyday green'
- 5- Enter the information exactly as it is on your PSE&G bill.
- 6- Enter your Point of Distribution # or PoD. This is the number on your bill that **starts with PE and has eighteen digits after it.** Do not enter the number group that begins with PG, as this is the gas portion of the bill.

Viridian does **not** have any contracts or fees, they provide 20% renewable energy to the electrical grid, which then supplies it to your home or business. For every family or business that signs onto Viridian, the Church will earn a residual \$2.00 per electrical meter, per month as long as that customer remains a customer of Viridian.

As a supporter of the Church, every time you pay your bill the Church will earn residual income - additionally if you know of anyone who would like to save on their electrical bill and help the Church, we encourage you to speak with family and friends to convert to Viridian on the Church's Viridian website (viridian.com/mobchackensack).
